CUBE 300

Cube 300 is the essential collection for creating well-designed spaces thanks to its exceptional quality and timeless design!

By adding armchairs, bookcases, and storage modules onto single, double, or triple metal bases, you can seamlessly create dynamic setups ranging from traditional lounge areas to hybrid or collaborative spaces. Experience the ultimate flexibility with Cube 300!

The perfect lounge furniture plays a pivotal role in offices spaces, highlighting the importance of designated breakout spaces. With appealing aesthetics and easy configuration, Cube 300 stands out as a highly versatile collection, providing all the essentials to craft inviting and comfortable lounge spaces.

Enhance your Cube 300 setups by incorporating felt or fabric privacy screens. For optimal comfort, ergonomy, and flexibility, consider integrating electrical modules.

Whether taking a breather from their desk or aiming to immerse themselves in focused work while lounging, keep your belongings in proximity thanks to our thoughtful storage options!

In today's dynamic work environments, meetings are evolving. They're becoming more informal, collaborative, and often happening in smaller, flexible spaces. Cube 300 is designed to enhance team dynamics with its effortless setup and versatile configurations.

Whether it's a quick brainstorming session or a lively discussion, Cube 300 offers multimedia modules and height-adjustable occasional tables to keep the momentum going.
